I hereby authorize the repair work to be done along with the necessary materials. South Jersey Yacht Sales and Service Center and their employees may operate my boat for the purpose of testing, inspecting, or delivering at my risk. An express mechanics lien is acknowledged on boat to secure the amount of the repairs thereto. South Jersey Yacht Sales and Service Center will not be held responsible for any loss, stolen and damage to boat or articles left in boat in case of fire, theft, accident or any other reason beyond South Jersey Yacht Sales and Service Center control. South Jersey Yacht Sales and Service Center is not responsible for ANY damage done to boat if boat is structurally unsound for method of hauling. Please Advise Our Service Department. An environmental fee will be charged to all Spring Launch invoices to cover the cost of disposal of hazardous materials and to help comply with the DEP clean water acts.

The factory warranty constitutes all of the warranties with respect to the sale of the parts and accessories. The Marina hereby expressly disclaims all warranties either expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose, and the Marina neither assumes nor authorizes any person to agree to terms, notes, conditions, and prices as stated on front and back of this agreement by South Jersey Yacht Sales and Service Center.

It is the sole responsibility of the Lessee and or the Boat Owner to advise and instruct their Captains. Employees, guests and sub-contractors are responsible for properly accessing our docks or boarding their boats. It is also the Lessee responsibility to inform as to the rules and regulations, pier and ramp layouts, lighting, safety precautions and procedures. Natural trip hazards exist on the docks with the mandatory existence of dock lines, shore power cords, phone cords, TV cords and water hoses. Since the docks are of the floating design and are also subject to wake disturbance, the guests must be made aware of the potential for tripping or falling. South Jersey Yacht Sales and Service Center assume no responsibility for Lessee and or Boat Owners, their Captains, employees, guests or sub-contractors for any accident resulting from any of the above mentioned. In the event of legal action as a result of accident or injury by any Lessee / Boat Owner, their Captains, employees, guests or sub-contractors, it is agreed upon as part of this conduct and addendum that this litigation will be without jury and will be heard in the US District Courts, District for New Jersey with Maritime jurisdiction.

I hereby understand and I am allowing South Jersey Yacht Sales and Service Center to use my credit card with this authorization, I hereby waive my rights to dispute this charge with my credit card company and will not attempt to have South Jersey Yacht Sales and Service Center charged back for these charges. In the event of a problem, I will resolve it directly with South Jersey Yacht Sales and Service Center.

**I HEREBY UNDERSTAND THIS CONTRACT MUST BE SIGNED AND A VALID CREDIT CARD NUMBER SUPPLIED, PRIOR TO WORK BEGINNING, EVEN IF PAYING BY CHECK OR CASH.**

**I HAVE READ, UNDERSTAND AND AGREE TO THE TERMS CONTAINED HEREIN.**

\_\_\_\_\_ OK to charge my provided credit card when work is completed.

**No More  
Spring Delivery  
Frustrations!**

- Step 1:** Complete the attached 2026 Spring make ready form.
- Step 2:** Tell us what date you want to take spring delivery, deposit required.
- Step 3:** We **GUARANTEE** your boat will be ready on that date!

**Or next years Winter Storage is ~~\$~~FREE!**

*Includes haul, block and relaunch*

We are excited to continue this program developed for our loyal customers in a effort to take the guess work out of your spring delivery plans. The details for this progressive service concept are on the reverse side.

**Questions? Give us a call - 609-927-1175**

[www.southjerseyyachtsales.com](http://www.southjerseyyachtsales.com)

## The details for the “Guaranteed Delivery Date” program are as follows:

- 1) A spring commissioning form needs to be completed and submitted to service no later than February 27th. Your preferred delivery/pick up date must be indicated on the form.
- 2) A deposit of \$25 per foot is required based on your requested spring commissioning service work as indicated on the spring commissioning form.
- 3) Once the service order is processed then we go to work:

*We will pull your boat into the shop, unwrap it and perform all requested spring make ready items. At this time we will also be taking care of any warranty or repair items that were discovered during winterization or previously noted. We also check for any recall and/or service bulletins that may apply to your power and/or drive units. This allows us plenty of time to go through your boat and make sure nothing gets missed before launching.*

*New anti-fouling ablative bottom paints from Sea Hawk allow us to paint months in advance without affecting paint performance on bottoms or running gear.*

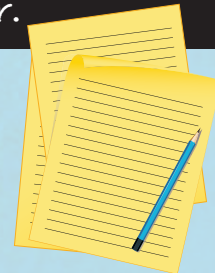

- 4) Here is a list of optional services you might consider having done :
  - Electronics upgrades by our sister company Chart House Electronics. A factory authorized dealer for all major brands. GPS, radar, sat phone, joy stick docking, entertainment systems and underwater lights to name a few.
  - Custom canvas work - new glass, full enclosures, cockpit covers, helm covers.
  - Fiberglass work - let us repair unsightly chips, dings and/or stress cracks.
  - Custom vinyl lettering designed and installed or old names repaired.
  - Improve your fishing setup with new rocket launchers, rod holders or perhaps add outriggers. We also offer custom aluminum pipework and repairs.

*Our ability to perform these services and many others is made possible by our professionally trained staff and state of the art indoor service facility.*

*Sign up Today and take advantage of our  
**NEW “Guaranteed Delivery Date” Program!***

*Don't be late to the water this year.*

*Additionally once your boat is moved to the shop you will be receiving progress reports as we work through your service order.*

The program is based on first come first serve. In the event that your preferred delivery date is full then our service team will work with you to secure your 2nd choice.

Please note: in the event South Jersey Yacht Sales and Service Center fails to have your boat ready on the “Guaranteed Delivery Date”, your winter storage for the fall winter season of 2026/2027 is FREE. If for any reason South Jersey Yacht Sales and Service Center cannot deliver said vessel on the agreed date due to mechanical issues out of dealer's control, the free storage feature does not apply. If for any reason customer is unable to pick up boat on agreed delivery date service will reschedule with customer. No free storage applies in this situation. Any and all outstanding service invoices must be paid in full prior to spring delivery.
